

CITY OF WAMEGO NEWSLETTER

VOL. 35 NO. 3 FALL 2024

430 LINCOLN | 456-9119

FALL IN WAMEGO- WHEN IS CLEAN UP DAY FOR YOU?

As leaves are falling, residents in Wamego look forward to cooler temperatures and fall festivities! Fall also means yard clean-up days! The City of Wamego will take one week in November to pick up your bagged leaves and clippings at the front curb. Tree limbs should be tied in 3' X 3' bundles in different sections of Wamego. See the schedule below to know when they'll be in your neighborhood.

Monday, November 18th - All areas East of Lincoln Ave.

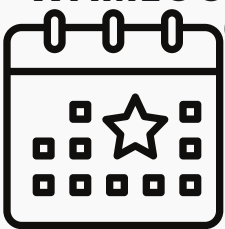

Tuesday, November 19th - All areas West of Lincoln Ave, East of Walnut, and South of 8th.

Wednesday, November 20th - All areas West of Lincoln Ave and North of 8th.

Thursday, November 21st - All areas West of Walnut and South of 8th.

Friday, November 22nd-Miscellaneous pick-ups

WAMEGO'S UPCOMING FALL CHAMBER EVENTS!

Saturday, October 5th-
OZtoberFest

Sunday, October 20th-
Porches on Poplar

PROJECT UPDATES AROUND TOWN

Prairieland Partners: We are excited to announce that Prairieland Partners has completed their building expansion and received their certificate of occupancy.

Dollar Tree: Construction is well underway, with plans to open this fall. Stay tuned for more details as the opening approaches!

Street Projects: The much-anticipated Spruce Street project is set to begin late this year, Chestnut is on schedule, and Vine Street is now open for traffic!

512 Spruce: Leasing for the main two floors will be starting soon, as construction is nearly complete!

Scenic Ridge: The first lots in the Scenic Ridge development are now on the market, and construction has begun on the first home.

FLOOD SAFETY REMINDER!

Stay safe during heavy rain and flash floods! Avoid driving through flooded areas and low-lying spots. If you're at home, move to higher ground and keep a battery-powered radio or mobile device handy for updates. Your safety is our top priority—please take precautions during all inclement weather.

BUILDING REALTIONSHPIS. ONE CUP AT A TIME.

Enjoy!

COFFEE WITH A COP

SAVE THE DATE!

WEDNESDAY, OCTOBER 2ND

COFFEE WITH A COP IS AS SIMPLE AS IT SOUNDS, IT IS A CHANCE TO MEET YOUR LOCAL OFFICERS AND HAVE A CUP OF COFFEE WITH THEM!

GET TO KNOW "FOG" – THE ENEMY OF YOUR SEWER!

With fall approaching, and the weather getting cooler, it is important to be knowledgeable about FOG. FOG stands for Fats, Oils, and Grease. To be more specific, FOG can be butter, cooking oil, grease, lard, margarine, meat scraps, or shortening. When dumped down the drain FOG coats your sewer lateral pipe and the City's sewer main. Eventually, the buildup can seriously reduce the capacity of the sewers and may even cause a backup into homes and businesses. What to do? First, understand that the place for FOG is in the trash, not down the drain or garbage disposal. Keep a can for grease, allowing it to cool before throwing it in the trash. Wipe out pans with a paper towel before washing. Oil should be mixed with an absorbent material such as kitty litter or coffee grounds in a sealable container (no larger than ½ gallon) before throwing it in the trash. Also, you can keep drains clean by pouring ½ cup of baking soda down the drain followed by ½ cup of white vinegar. Wait 10 to 15 minutes and then rinse with hot water. Although the following guidelines are important all year, cooling weather causes everything to build up even quicker than during the hotter months. So, get into good practice now and help fight the FOG.
