CHANGES TO WAMEGO SPEED LIMIT

**SPEED
LIMIT
20**

One of the most recent changes that has come from our Safe Driving Coalition is an update to the speed limits within Wamego. All roads will be 20MPH unless otherwise marked. During this time we are in a transition period as we get all signage updated but be diligent to look for road signs as we start to make these changes.

CEMETERY POLICIES

With spring just around the corner it's a good time to send out a reminder of our Wamego City Cemetery policies. First, artificial flowers not in a pre-approved floral display container (as specified in the Wamego City Cemetery Regulations) may be placed adjacent to grave monuments only through October 1st to April 1st. Also, lot owners are prohibited from placing items on graves such as toys, glass, shepherd hooks, chinaware, or other commemorative articles of any kind year-round, with the exception that memorial markers from the armed services or nationally recognized clubs are permitted. Prohibited articles are subject to removal and disposal by the City crews without notice to the owner. Finally, reminders about conduct in the Cemetery: don't pick flowers or damage any other plants or remove items not belonging to you, and in keeping with the nature of the Cemetery, no dogs, alcohol, or firearms are allowed (except firearms permitted for military funerals).

SPRING CLEANING!

- ☐ Pull tall weeds and keep grass trimmed
- ☐ Remove trash, junk, or anything unsightly from the yard
- ☐ Stack firewood neatly
- ☐ Remove anything smelly from the lawn (garbage or pet droppings)
- ☐ Check there are no water pollutants on the property
- ☐ Clear up any standing water
- ☐ Move any inoperable vehicles
- ☐ Fix or remove any structure that could be unsafe

If your project requires **excavation**, mark your dig site, then call 1-800-DIG SAFE or simply 811, to ensure that all owners of underground utilities have a chance to mark their utility lines at the site. This service is free of charge.
